ABOUT ME

I am a fresh graduate and an aspiring programmer and web developer from Quezon City University seeking for a position in an Information Technology Industry where impressive IT skills can be maximized for the growth of the company. I would like to utilize my knowledge and ability and make the most of my competencies within a wide range of employment areas.

SKILLS

- Processmaker
- Web Development (HTML, PHP, CSS, JQuery/JavaScript, Bootstrap)
- Adobe Photoshop
- Networking
- Microsoft Office Suite
- Visual Studio (VB.net & ASP.net)
- Database Management System (MySQL)

INTERNSHIP

May 14, 2019 to Sept.13, 2019

SYSTEM DEVELOPER INTERN at One food group Inc. under RAMCAR Group of Companies

Tasks in the company under IT Department are as follow:

- POS Terminal testing
- Encoding of POS Hardware Evaluation
- Developing a Cash Advance Form System using Processmaker for the company
